WHITTIER.

SOMETHING UNIQUE AND MEW

CLARKE WHITTIER, of California, is dividing 60,600 acres of land, in Swain co., N. C., in the "Sky land region," into small tracts for actual settlers only.

They will be sold for casn. or on a credit of from one to ten years. If desirable the principal may lay for five years at 6 per cent. Interest, payable annually, and one-fifth of the principal to be paid each year thereafter.

The soil is rich, its tobacco prings the highest prices in the market, averaging a net profit of from \$15 to \$150 per acre. 250 acres of land are being cleared to rent on shares for tobacco growling.

heing cleared to rent on shares for tobacco growing.

The lands are divided into farms of from 20 to 1000 acres to suit purchasers.

The labor required in opening, up these lands has made the Town of WHITTIER a necessity, which is now a siation on the Western North Carolina Railroad, 6 miles cast of Charleston. The founder of Whittier will spare no pains or expense to make it the most attractive and desirable resident and business town in Western N. C.

Mills, stores, residences at d a fine hotel are now being erected, and other manufactories will follow. Lots are donated to churches, schools, public buildings and works.

The improvements of the lands and the town requires all kinds of mechasics and laborers, and all purchasers of lands or lots can get immediate and constant employment at common labor.

Purchasers will be furnished lumber for im provements at \$10 to \$12 per 1000 feet, and work to pay for it.

Comfortable quarters at J rations will be provided for purchasers and their families, at the mere cost of rations, until they can erect their own houses. Come right along.

Thus you can buy lands, lots, and build houses, on long credits and work to pay for them.

Such inducantals here never been offered before, as are now offered at Whittier.

Come at once and erect your houses. Plenty work at fair prices. Tobacco lands to clear and get ready for spring crops. Fences, roads and houses to build, nurseries and fruit trees to plant, &c. Plenty of work ready now.
